## description

---

This exceptional house is located near Lluçmajor in a rural and peaceful area. The ground floor offers four spacious double bedrooms, the upper floor offers two small suites with a private terrace and there is a small, separate "casita" with two double bedrooms. Each room has a private bathroom. Furthermore, there are two fully-equipped kitchens and a large living and dining area. Each room has ample space to store food in the kitchen as well as two large refrigerators subdivided for each room, plus a mini-bar fridge in every room to provide enough space for your food and cold drinks. Every morning the kitchen and rooms are cleaned and the towels are changed daily. The outdoor area is an oasis of tranquility with lush Mediterranean vegetation, a pool, lots of sunbeds and an outdoor kitchen with BBQ for your comfort.
