description

This beautiful apartment by the beach of Playa de Muro ist designed and decorated according to the Feng Shui concept. Due to its elegant and balanced layout this apartment guarantees a holiday with 'feel-good factor' directly by the beach. The apartment has an open living and dining area completed by an American style, fully fitted kitchen, as well as a bedroom and a bathroom. From the outdoor terrace you can enjoy wonderful views of the sea and the bay of Alcudia. The terrace has a table with seats available, as well as two sun beds. There is, of course, direct access to the beach. When wanting to accommodate more than two people (there are sleeping possibilities on the sofa bed) an extra 25.00 EUR will be charged per person.
