description

The villa is situated between Manacor and Porto Cristo. The holiday house has six bedrooms and four bathrooms, enough space for a big family. The house is divided into two floors and has a fully fitted kitchen, dining room, a living room and a toilet. There is also a playroom for kids. Outside there is a wonderful garden with several terraces, a barbecue area and a pool. A special playground has been built for children. The house doesn't have air conditioning, but it is equipped with ventilators. It has good access to the beaches and Manacor, because the highway Porto Cristo-Manacor is only 50m away.
