The interior is spacious, with minimalistic decor and furnished in a mixture of Nordic with contemporary style. The house has two floors and a terrace with pool area. On the ground floor you find the kitchen as well as the living and dining area. On the first floor two bedrooms are located, both with bathrooms en suite – one of which is a hamman style bathroom and one of which has a whirlpool tub. The third bedroom is located on the third floor and is spacious with a bathroom that overlooks the sea and which has a sauna.
