description

This rustic country house is located near the family-friendly sandy beaches of Es Trenc, in the south of the island. The cottage is simply equipped with Majorcan furniture and offers two separate living units. The main house has three bedrooms, two bathrooms, a large community kitchen with dining area and open fireplace and a living room. The second unit has an own access through an external staircase and offers two bedrooms, a bathroom and a small kitchen with dining area. The large garden provides a terrace with barbeque and a pool.
