description

This renovated town house was one of the first distilleries in Majorca, and was recently restored in typical Majorcan style. The house features three separate units, each with their own entrance and is divided as follows: On the ground floor there is a large living and dining area, a fully equipped kitchen, two bedrooms and two bathrooms, a patio area with an authentic fountain and direct access to the garden and pool area. The apartments on the 1st and 2nd floor, which are reached by an elevator, offer a kitchen, a living room with dining area as well as a direct access to a large terrace, three bedrooms and two bathrooms. The covered patio offers many opportunities for celebrations. Passing through a gate you reach the landscaped garden with pool and changing rooms, shower, toilet and barbecue area.
