description

This recently renovated apartment is one of several apartments in a beautiful residence in Puerto Andratx. The house can also be rented entirely. Each apartment offers enough privacy and fantastic views over the sea and to the island of Dragonera. With its 71sqm the apartment offers enough space for two people. Besides a spacious bedroom and modern bathroom, the apartment has a fully equipped kitchen and a cozy living and dining area. Additionally the romantic suite offers fantastic views over the garden and pool as well as to the bay of Puerto Andratx from the 22sqm large terrace and 10sqm veranda. The related garden extends over several levels and offers an exceptional pool and several opportunities to sit and to relax.
