### description

---

This lovingly refurbished apartment is one of several apartments in a beautiful residence in Puerto Andratx. The house can also be rented entirely. Each apartment offers enough privacy and a fantastic views over the sea and to the island of Dragonera. The apartment consists of 83sqm and is divided to two floors. The upper floor has a fully equipped kitchen, a cosy and tastefully decorated living room and a bathroom. Downstairs is another bathroom and two double bedrooms. From the living area you can reach the 25sqm large roof terrace with garden furniture, deck chairs and fantastic views over the sea. The related garden extends over several levels and offers a picturesque pool with great opportunities for having a break.
