description

This holiday house is located on a 1.2 million sqm plot of land in the middle of the Tramuntana mountains between the towns of Bunyola and Orient. In the basement the house offers several comfortable lounges, one with a big Majorcan fireplace, a dining room that is located in an old vault and a fully fitted spacious kitchen. Halfway up the stairs is a studio with a bedroom with bathroom and a small living area. The first floor has eight comfortably furnished bedrooms each with bathroom en suite, and a further lounge with fireplace. The villa is surrounded by a beautiful Mediterranean garden with a large pool and spectacular views over the mountains.
